

ABOUT THE SYMPOSIUM

This event is the seventh in the serie of **EuroAliment** symposium and is hosted by the Food Science and Engineering Faculty.

The missions of **EuroAliment** 2015 are:

- To bring together researchers, producers and experts from food industry, food marketing and management, aquaculture, environment and medicine (nutrition) for exchanging knowledge;
- To promote multidisciplinary research and to open new challenges that will lead to future projects;
- To provide a forum for the broader spectrum of food science, research and innovation in food chain from farm to plate and beyond.

ABOUT GALAȚI AND THE FACULTY OF FOOD SCIENCE AND ENGINEERING

The Faculty of Food Science and Engineering from the University Dunarea de Jos of Galati, which is organising the symposium, was founded in 1948 and nowadays is both a teaching and research institution.

The organizing faculty is a reference for the development of food studies in Romania and is recognized all over the world.

SYMPOSIUM ACTIVITIES

A. Paper presentation

The main topics to be covered by Symposium are:

- ◎ Food Processing and Quality
- ◎ Innovation in Food Industry
- ◎ Aquaculture and Fisheries
- ◎ Environmental Science and Technology
- ◎ Nutrition and Health
- ◎ Applied Food Biotechnology
- ◎ Bioeconomy
- ◎ Advanced Methods for Food Analysis
- ◎ Food Safety
- ◎ Sustainable Strategies in Agriculture
- ◎ Food Fortification and Supplementation
- ◎ Food Chemistry
- ◎ Miscellaneous

B. Industry oriented Workshops

Two industry-oriented events, based on the conference theme and with special emphasis on the situation of **Food industry and Aquaculture** in Romania will be organized in cooperation with our industry partners.

C. Exhibitions

- ◎ Books
- ◎ Food products and/or ingredients
- ◎ Food equipments
- ◎ Advertising

D. Symposium publication

The abstracts will be published in printed **Book of Abstracts**. Authors wishing to publish full papers have the following options:

- ◎ The Annals of the University Dunarea de Jos of Galati, Fascicle VI Food Technology, SCOPUS publication (ISSN 1843-5157, e-ISSN 2068-259X)
- ◎ Innovative Romanian Food Biotechnology
- ◎ Aquaculture, Aquarium, Conservation & Legislation Bioflux, SCOPUS publication (ISSN 1844-8143, e-ISSN 1844-9166), indexed in Thomson Reuters Scientific - ISI Web of Knowledge.

Faculty of Food Science and Engineering Dunarea de Jos University of Galati ANNOUNCES

The 7TH INTERNATIONAL SYMPOSIUM

September, 24-26, 2015
Galați România

Organisers:

- ◎ Food Science and Engineering Faculty
- ◎ Dunarea de Jos University of Galati
- ◎ Romanian Association of Food Industry Professionals (ASIAR)

Second
announcement

Symposium Secretariat

Faculty of Food Science and Engineering
Dunarea de Jos University of Galati
111, Domneasca street, 800201 Galati,
Romania
Tel./Fax: +40 236 460165

ORGANISING COMMITTEE

Petru ALEXE
Victor CRISTEA
Camelia VIZIREANU
Lorena DEDIU
Rodica DINICĂ
Iulia GRECU
Felicia DIMA
Oana Emilia CONSTANTIN
Mugurel ENACHE

PARTICIPATION FEE

Participation fee is **80 €** for senior participants and **30 €** for students (Bsc, MSc, PhD).

The fee has to be paid until the **1st of September 2015** to the Romanian Association of Food Industry Professionals (ASIAR) accounts at the Transilvania Bank, specifying EUROALIMENT 2015 Symposium:

- **IBAN RO 61BTRL 0180 1205 S22234XX (SWIFT code BTRLRO22GLA) - RON account**
- **IBAN RO 36BTRL 0180 4205 S22234XX - EURO account**
CIF: 26272861

The fee covers conference sessions, a copy of conference proceedings, coffee breaks, meals, and festive dinner.

KEY DATES

Submission Deadline: **29 May 2015**
Authors Notification: **15 June 2015**
Final Manuscript: **1 September 2015**
Conference Dates: **24-26 September 2015**

ABSTRACTS AND KEYWORDS

Extended abstracts in English should not exceed 1000 words.

The instructions for writing the abstracts are presented on the symposium web page: <http://www.euroaliment.ugal.ro/registration2015.htm>

Each abstract will be reviewed and the decision of the Scientific Committee will be communicated to the corresponding author by the 15th of June 2015

PAPERS

Only the papers wishing to be published in full have to be submitted by the **1st of September 2015**. In order to be published the papers should respect the specific quality requirements (the papers will be peer-reviewed) and guidelines for each publication:

In order to be published in **The Annals of the University Dunarea de Jos of Galati – Fascicle VI Food Technology**, full text papers should be submitted by email to redactie.tpa@ugal.ro and needs to comply with the Annals topics. The instructions for writing the paper are presented on the web page: <http://www.ann.ugal.ro/tpa/Instructions%20for%20authors.htm>

For the publication in **Innovative Romanian Food Biotechnology**, the full papers should be submitted by email to edirfb@ugal.ro. General guidelines for preparing the manuscript for submission can be found in the section *For authors* on the web page: http://www.bioaliment.ugal.ro/rev_auth_info.php

For the publication in **AACL Bioflux** the full papers (special publication fee – 70 USD) should be submitted by email to euroaliment@ugal.ro. General guidelines for preparing the manuscript for submission can be found in the section *Instructions for authors* from AACL web page: <http://www.bioflux.com.ro/journal>

INTERNATIONAL SCIENTIFIC COMMITTEE

Petru ALEXE, Dunărea de Jos University of Galați

Iuliana APRODU, Dunărea de Jos University of Galați

Gabriela BHRIM, Dunărea de Jos University of Galați

Daniela BORDA, Dunărea de Jos University of Galați

Nicolae CORCIONIVOSCHI, Agri-Food & Biosciences Institute, Belfast

Victor CRISTEA, Dunărea de Jos University of Galați

Rodica DINICĂ, Dunărea de Jos University of Galați

Asim DUTTARROY, University of Oslo

Lidia FAVIER, Ecole Nationale Supérieure de Chimie de Rennes

Liu FENG, China Agricultural University

Carmen MORARU, Cornell University

Bob MADDEN, Agri-Food & Biosciences Institute, Belfast

Carmen NICOLAE, University of Agronomic Science and Veterinary Medicine, București

Natasa POKLAR ULRIH, University of Ljubljana

Gabriela RÂPEANU, Dunărea de Jos University of Galați

Radu SUCIU, Danube Delta National Institute for Research and Development

György VEGVARI, Corvinus University of Budapest

Tania ZAHARIA, National Institute for Marine Research and Development "Grigore Antipa"

LANGUAGE

The official language of the symposium will be **English**.

For all topics covered by Symposium will be organized a **Francophone Section** where the presentation language will be French. The participant to francophone section will send the abstracts in both languages, French and English.
